7th January 2020

Dear Parents/Carers,

Are you worried about your child's safety and road safety concerns in Charlton Kings?

If the answer to this question is yes, then we have arranged the following two events:

Parent workshop followed by a road safety meeting on

Tuesday 4th February from 7pm - school hall at Charlton Kings Infants' School

We are delighted to be able to offer a one-hour Streetwise Parent workshop, (see below) run by Andrew Privett at a reduced rate of £5 per parent attending (all proceeds to go to CKIS school funds):

A Streetwise Parental Workshop at 7pm - Helping our Children to make Safe Decisions

As parents, our No 1 concern for our children is their safety... we know that the world can be challenging and at times, a dangerous place. We want our children to be ready for the risks that life might present. As parents, we always feel that we should be doing more but are not always sure of the right and proper advice to give.

This 1-hour workshop will be packed full of practical tips & advice so that you can work effectively with your child/children. It's about presenting the right information in the right manner so that our children can grow to make mature and safe choices. The principles that we will touch upon have an application to a wide age range – from 3 years old to our older children who are striving for their independence.

To book your place on the workshop, please follow this link:
<https://www.eventbrite.co.uk/e/streetwise-parental-workshop-tickets-86902434521>

Public Road Safety meeting at 8pm (following the workshop)

We continue to listen to the significant concerns shared by parents and local residents related to road safety and pollution levels in Charlton Kings. We are aware of a number of incidents where the health and safety of our children and families has been put at risk due to inappropriate parking, speeding traffic etc. A team of parents from CKIS have therefore arranged a *public meeting* to raise these concerns and to discuss actions that can be taken to address these concerns and improve health and safety for all. They have invited members from the Local Parish Council, the highways agency, Gloucestershire County Council and the police to attend. We would welcome your attendance at the meeting in order to share your views and ensure that all of our children are safeguarded as they walk around Charlton Kings both now and in the future.

If you would like more information about the meeting or would like to offer your support in co-ordinating the meeting, please contact Cara Higginbotham – cara.higginbotham@hotmail.com

Kind regards

Mrs James
