17<sup>th</sup> March 2020

Dear Parents,

With significant numbers of pupils and some staff now self-isolating on government advice, the following details come into effect from today (Tuesday 17<sup>th</sup> March).

For now we continue to operate in as normal a way as possible. It is very important that we all follow government advice very carefully. The latest guidance can be found here: <https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19/guidance-to-educational-settings-about-covid-19#contents>

Pupils should attend unless they feel unwell – if your child has any of the following symptoms they should remain at home for 14 days:

- A new, continuous cough and/or
- A high temperature

**Pupils should also remain at home for 14 days if anyone they live with has the above symptoms.**

If your child is unwell or is self-isolating, please contact the school to report this. If you have informed us that your child is self-isolating, there is no requirement to phone the school on subsequent days unless there is a reason to do so.

For those of you who have already been self-isolating, we have been asked by a number of parents to send reading books and work home. As you can appreciate, this is simply not feasible as class teachers continue to plan and teach lessons to those pupils who remain in school. We have therefore updated our school website with a new 'home learning' page:

<https://www.ckis.org.uk/page/?title=Home+Learning&pid=291>

This can be located under the 'Home' header on the front page. If you click on your child's year group, you will be able to access these links. This is also where work for each year group will be placed should we be forced to close the school.

Thank you for your continued support and understanding. Keep well!

Kind regards

Katie James  
Head teacher
