

Dear Families,

Please find attached our Phonics for this week. We are providing this for you to use how you wish, and we hope you will find the resource useful. You can dip in and out of the activities as you please. The activities work best on a larger smartphone, tablet, or computer.

These come with audio instructions and are simple, short activities to complete. They are matched exactly to the letters and sounds we are teaching in school. This week in Year R we are looking at y

y as in yawn
