Pupil premium – is your child entitled to Pupil Premium funding?

PUPIL PREMIUM FUNDING

Could your child be eligible for Pupil Premium funding? This can provide your child with access to a range of additional opportunities to support their development and learning.

At Charlton Kings Infants' School we have high aspirations for every child. We believe that every child should be provided with a world class education that inspires them to reach their true potential. In order to ensure that every child thrives we endeavour to provide personalised learning opportunities based upon children's interests and their next steps for learning.

We recognise that some pupils are entitled to Pupil Premium funding and we use this money to ensure children access a wide range of opportunities in order to diminish the gaps between them and their peers. The money is spent on each child to ensure their individual and specific needs are met - this can be academic, social or emotional targeted support.

Eligibility for Pupil Premium grant:

- Children 'in care' (Fostered children).
- Children who have been adopted from care.
- Children from a 'Services' family.
- Children who are entitled to 'free school meals' (not universal free school meals). Families who are in receipt of one or more of the following are entitled to free school meals (Income support, Income-based jobseeker's allowance, Income-related employment and support allowance, support under Part VI of the Immigration and Asylum Act 1999, the guaranteed element of Pension Credit, Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190), Working Tax Credit run-on, paid for 4 weeks after you stop qualifying for Working Tax Credit, Universal Credit).

The following are some of the ways that children in our school have benefitted from Pupil Premium funding:

- Free milk and extra curricula activities
- Free music lessons in school
- Help with purchasing school uniform
- A tailored programme including additional individual/small group learning opportunities
- Free places at our Breakfast/After School Club. Free places at local holiday schemes.

Protect Your Child

Key Message

- Is your child ready for school? Are they up to date with their vaccination?
- Before they start school they should have had their 2nd Measles, Mumps, and Rubella (MMR) and their vaccination for diphtheria, tetanus, whooping cough and polio (DTaP/IPV)
- Unsure? Check your child's vaccination status with your GP Surgery

Protect Your Child

Why is vaccination important?

- Protects our children against deadly diseases: measles, mumps, rubella, tetanus, polio...
- These diseases are rare because of our the success of our vaccination programme
- High rates of vaccination protect everyone: our children, older people, families, and our communities
- Uptake of some vaccinations have declined in Gloucestershire. This has resulted in cases of measles, with some children admitted to hospital with serious complications.

Protect Your Child

What do I do now?

- If unsure that your child is protected, check with their GP Surgery
- If your child is missing a vaccination, don't worry, arrange a catch up vaccination with the GP Surgery before your child starts school
- Find more information on the NHS Choices website, just search "vaccination".
