13th November 2023

Dear families,

I am writing to you as parents and carers of children in Green class to inform you that following a period of illness last week, Mrs Thorp is currently in hospital. We are hoping that after rest and medication, she will be well enough to return to school in the next few weeks. Unfortunately, we are going to have to postpone the planned parents' evenings for Green class families on Wednesday and Thursday evening until we have further information regarding Mrs Thorp's recovery. Apologies for this inconvenience, but I am sure that you will join our school family in sending Mrs Thorp our love and best wishes for a speedy recovery.

Mrs Fox has been teaching Green class today and will do so again tomorrow. Mrs James will be teaching on Wednesday and Friday and Mr Owens will be teaching on Thursday. Once we have further information regarding Mrs Thorp's recovery, we will inform you regarding longer term plans should these be needed.

For now, thank you for your ongoing support and understanding.

Kind regards

Mrs James
Head teacher
