## CKIS Ofsted inspection report 14<sup>th</sup>-15<sup>th</sup> May 2024

Dear families

We are delighted to have received our Ofsted report today and to be able to celebrate the outstanding achievement of our school family with you all. You will note from the report that this was an ungraded (section 8) inspection and therefore the grade of 'Good' remains. However, the inspector identified that there was enough evidence to suggest that the school might be 'Outstanding' if it were to receive a graded (section 5) inspection. We look forward to our future inspection, which is likely to take place within two years.

We are proud that the inspector recognised that all of our children flourish and achieve highly at CKIS due to our carefully crafted inclusive curriculum. The inspector also identified our commitment to our young children's wider development and the profound impact this has upon their behaviour and character.

We hope that you enjoy reading the final report as much as we all have. Thank you for your support and kind words during the inspection period and for your ongoing commitment to our school family.

Kind regards

Mrs Katie James  
Head teacher
