## Personal, Social and Emotional Development

### UNIT 3: Keeping Safe

Children will explore the different ways they can keep themselves safe, including online. They'll be learning skills in assertiveness, recognising the influence of friends, and also how to think critically about the decisions they can make to help themselves manage risks safely. [CLICK HERE](#)

### UNIT 4: Rights and Responsibilities

Children will learn about how they can help to look after the environment. They'll also be thinking about how to manage money (economic education) and the changing rights and responsibilities they have as they grow older. [CLICK HERE](#)
