

Forest School sessions for 2-4 year olds

Charlton Kings Infants' School

We would love to invite you and your child to sign up for a term of Forest School sessions, led by our qualified Forest School Lead. If you love getting outside with your little ones in all weathers and seasons, come and join our community to:

- experience our relaxed child-led approach to learning about our natural world
- connect with nature and boost wellbeing
- encourage your child to develop independence, confidence and self-esteem
- take part in a range of play activities such as den building, woodland crafts, creating tasty morsels in the mud kitchen, swinging in a hammock, exploring nature, stories, and much more
- enjoy a drink and a snack around a camp fire
- make new friends

The sessions will be held from 10:00-11:30 each Monday starting on 22nd September through to 1st December (excluding 27th October, during half term). A taster session is available on Monday 14th July for a price of £5.00.

The price per child (with one accompanying adult) to attend all 10 sessions is £75.00.

To register your interest or book a place on the taster session, please email sbm@ckis.org.uk
