Dear families

As we approach the end of another busy school year, we are excited to begin preparations for the next academic year. We have decided to announce class allocations now so that we can further enhance our transition plans for pupils. This will provide our children with additional opportunities to meet with their new teachers over the weeks ahead.

This year, we will be keeping children in their established classes as they transition. Following consultation with CKJS, our Y2 children will also transition to the juniors in their current classes.

Please see below for an overview of new classes and teachers for September 2025:

Our Y2 children will be going straight to CKJS with parents/families first thing in the morning and will be collected by their current class teachers to return to CKIS for lunch. The junior school will be sending out a letter shortly to confirm details regarding the taster day to all current Y2 families.

Our YR and Y1 children will be welcomed to school by their current teachers and will then be taken to their new teachers and classrooms for the morning. We will be

welcoming families to our 'Wednesday Wander' after school when children and their families can visit current classrooms to see their work and then visit their new classrooms and meet their new teacher/s. School will be open until 4.30pm on this afternoon.

Our current Y2 children will also have the opportunity to visit their new classrooms and teacher/s at CKJS from 3.30-6pm. Parents of children in Y2 are invited to a new families meeting at CKJS at 1.30 pm (this will be for adults only).

We look forward to the opportunity to settle our children into this period of transition over the weeks ahead, knowing that they will all be looking forward to the new school year with excitement. Thank you for your ongoing support as we jointly prepare your child/ren for the next stage in their educational journey.

Kind regards
