# Seesaw:

We are a **paperless** school, and all school communication will be sent via Seesaw.

Class teachers regularly **share pictures and videos** from the week.

All communication **from/to class teachers** is handled through our secure 'Seesaw' learning journal.

You can share **news from home** and non-urgent messages with your child's class teacher/s.

# Attendance and absence:

365 days a year, 190 school days - 175 days for holidays, appointments and special events!!

## Good Attendance means...

Being in school at least 97% of the time or 184 to 190 days

### Remember

Education is important - don't miss out!

### Did you know?

A two week holiday in term-time means that the highest attendance a child can achieve is

94.7%

# Pupil premium - is your child entitled to Pupil Premium funding?

## PUPIL PREMIUM FUNDING

Could your child be eligible for Pupil Premium funding? This can provide your child with access to a range of additional opportunities to support their development and learning.

At Charlton Kings Infants' School we have high aspirations for every child. We believe that every child should be provided with a world class education that inspires them to reach their true potential. In order to ensure that every child thrives we endeavour to provide personalised learning opportunities based upon children's interests and their next steps for learning.

We recognise that some pupils are entitled to Pupil Premium funding and we use this money to ensure children access a wide range of opportunities in order to diminish the gaps between them and their peers. The money is spent on each child to ensure their individual and specific needs are met - this can be academic, social or emotional targeted support.

### Eligibility for Pupil Premium grant:

- Children 'in care' (Fostered children).
- Children who have been adopted from care.
- Children from a 'Services' family.
- Children who are entitled to 'free school meals' (not universal free school meals). Families who are in receipt of one or more of the following are entitled to free school meals (Income support, Income-based jobseeker's allowance, Income-related employment and support allowance, support under Part VI of the Immigration and Asylum Act 1999, the guaranteed element of Pension Credit, Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190), Working Tax Credit run-on, paid for 4 weeks after you stop qualifying for Working Tax Credit, Universal Credit).

The following are some of the ways that children in our school have benefitted from Pupil Premium funding:

Free milk and extra curricula activities

Free music lessons in school

Help with purchasing school uniform

A tailored programme including additional individual/small group learning opportunities

Free places at our Breakfast/After School Club. Free places at local holiday schemes.

### Applying for Free School Meals:

Parents/carers can register for free school meals by completing a short online form using the web address: <http://www.gloucestershire.gov.uk/education-and-learning/school-transport-and-free-school-meals/apply-for-free-school-meals/> or by visiting the school office for a paper copy. The school administration team are happy to support parents to access the online application and telephone helpline where needed. The school administration team are available to offer advice and support and will always treat your queries and requests with sensitivity and confidentiality. Please contact the School Business Manager on 01242 514483

# Best Start in Life – School Readiness:

The [Starting Reception website](#) has a wealth of information and advice to support parents to help their children prepare for school. This includes hints and tips that will help with:

- **Communication** – skills that will help them communicate their needs and experiences, in whatever way works for them, and being able to listen and follow simple instructions.
- **Independence** – skills to help children take care of themselves, like using the toilet, with a little help where needed.
- **Social and emotional skills** – beginning to understand their own feelings and those of others, and to play and share with other children.
- **Physical development** – developing strength and skills through activity such as running, climbing, jumping, crawling or moving parts of their body. This could be with support for children with limited mobility.
- **Healthy routines** – Building healthy routines that will help children stay healthy, such as limiting screen time to an hour a day or less for 2 to 5 year olds, brushing teeth twice a day and going to bed around the same time each night.
