Dear Reception Parents and Carers,

The children in Reception are very engaged with their new curriculum theme, 'Where in the world am I?' This term the children have been focussing on cold lands, exploring the animals and climates associated with the Arctic and Antarctic. Soon we will begin to look at contrasting climates, including jungles and deserts.

We are very pleased to welcome a Zoo Lab ranger to CKIS for the second year running. Zoo Lab is an ethical organisation who place animal welfare at the centre of their work. On Monday 4th February, each reception class will have the opportunity to find out about and meet some creatures that live in the jungle during an interactive workshop.

The cost of the interactive workshop will be £4.00 per child. If you have already contributed to the Voluntary Fund (£40 per year) you do not need to do anything. If you have chosen not to contribute to the Voluntary Fund and 'pay as you go', please can you make your voluntary contribution by bank transfer using the following details:
